SUMMER OFFERINGS—NON-CREDIT ACTIVITIES

Workshop for School Lunchroom Workers

Dates: July 14 to July 18

This is the workshop for workers in school lunchrooms that is conducted by the Division of Home Economics Education. Members of the staff of this Division, assisted by members of the Morehead faculty, will furnish the instruction.

Band Camp

Dates: July 11 to July 20

Fee: \$25.00 (This fee covers all expenses of the camp)

The annual Band Camp, sponsored by Morehead for high school students interested in band work, will be held from July 11 to July 20. The Director of the Band Camp this summer will be Mr. Karl Niekamp, Director of the High School Band at Moundsville, West Virginia. Mr. Niekamp has been highly successful with his own band and a profitable, as well as enjoyable, experience is promised for those who participate in the Camp this summer.

For additional information write: Dr. Leroy Weil

Department of Music
Morehead State College
Morehead, Kentucky

SUMMER OFFERINGS—CREDIT ACTIVITIES

SHORT TERM—June 2 to July 9.

This term is designed to meet the needs of those elementary teachers whose schools begin during the month of July. Students who enroll for the Regular Term may select classes from the Short-Term Schedule if necessary.

The maximum amount of credit that may be earned during this term of five and one-half weeks is six semester hours.

REGULAR TERM—June 2 to July 25.

During this period students may complete one-half of a semester's work. The courses offered are those which meet the needs of teachers in service, particularly those who are juniors, seniors, or graduate students. Provision is also made for entering freshmen and other lower division students.

The normal student load for this term is eight semester hours.

WORKSHOPS

To meet the needs of students who may not be able to enroll for one of the longer summer terms, and those who may desire a short period of intensive work on some special topic, the following workshops have been scheduled.

Workshop in Music for the Elementary Teacher (Music 300)

Dates: June 30 to July 11

Credit: Two semester hours

Incidental fee: \$10.00

The activities of this workshop will be selected to meet the everyday needs of teachers in the music program of the elementary school. Credit earned may be substituted for Music 221—Music for the Elementary Teacher, which is required for elementary certification. The Director will be Miss Lureata Martin of Huntington, West Virginia, and she will be assisted by the regular staff of the Morehead Department of Music.

Advanced Workshop in Elementary School Music (Music 400)

Prerequisite: Music 300 or the equivalent

Dates: July 14 to July 25

Credit: Two semester hours

Incidental fee: \$10.00

So many of those who participated in the Music Workshop last summer have indicated a desire for additional work of this type that this second experience is being offered. Anyone who has received credit for Music 300, or who has had equivalent training in music, may enroll. Miss Martin will also serve as director of this workshop.

For additional information concerning either of the workshops in music write: Dr. Leroy Weil

Head of the Department of Music

Morehead State College

Morehead, Kentucky

Workshop for Teachers of Elementary Science

Dates: June 2 to June 20

Credit: Three semester hours

Incidental fee: \$14.00

Intensive consideration will be given to those phases of science instruction that are significant for teachers in the elementary school. The work will be directed by Dr. Fenton T. West, Head of the Division of Science and Mathematics at Morehead. He will be assisted by other members of the Morehead staff and by a number of visitors who have special contributions to make in this field.

For additional information write: Dr. Fenton T. West

Morehead State College

Morehead, Kentucky

Workshop in Dramatics (English 300)

Dates: June 16 to June 27

Credit: Two semester hours

Incidental fee: \$10.00

Dramatic activities contribute much to the program of the elementary school and high school teachers are also called upon for service of this type. The activities of this workshop will contribute toward meeting the needs of both groups of teachers.

Morehead is particularly fortunate to have secured the services of Miss Elizabeth L. Dawson of Norfolk, Virginia, as the visiting consultant for this workshop. Miss Dawson holds the master's degree from the University of North Carolina with the major in dramatic art, and has also done work in this field at the American Academy of Dramatic Art and at the Shakespeare Summer School at Stratford-on-Avon. The Director will be Mr. Walter P. Covington of the Morehead staff. Other members of the Department of English will also participate.

For additional information write: Mr. Walter P. Covington
Morehead State College
Morehead, Kentucky

Writer's Workshop (English 390)

Dates: July 14 to July 25

Credit: Two semester hours

Incidental fee: \$10.00

This Writer's Workshop is being provided for college students, members of non-college literary groups, and other individuals with an interest in writing who desire an opportunity to have their work—fiction, poetry, or exposition—discussed and analyzed by authors and critics; and to offer, through a series of lectures, a further understanding of the work of contemporary authors.

Enrollment will also be open to teachers who wish to avail themselves of the opportunity of learning methods of evaluating manuscripts and of teaching writing.

The workshop will be under the direction of Mr. James McConkey of the Department of English and visiting faculty members will include Mr. Jesse Stuart, well-known short story writer, poet, and novelist of Eastern Kentucky; Dr. Hollis Summers, author and Professor of Creative Writing at the University of Kentucky; and Miss Collister Hutchinson, poet and member of the staff of Western Reserve University.

For additional information write: Mr. James McConkey
Morehead State College
Morehead, Kentucky

Workshop for Principals and Supervisors (Education 300)

Dates: July 7 to July 18 for two hours of credit

July 7 to July 25 for three hours of credit

Incidental fee: \$10.00 for two weeks

14.00 for three weeks

This Workshop for Principals and Supervisors is being offered at the request of the State Department of Education to provide an opportunity for principals and supervisors to improve their facility in the supervision of instruction.

Notice that enrollees who wish only two hours of credit will attend for the period July 7 to July 18, while those who wish to receive three hours will be in attendance from July 17 to July 25.

President Charles R. Spain will direct this activity and he will be assisted by Dr. Charles Graham of Berea College, and Mr. Claude Taylor and Mr. Fred Edmunds of the State Department of Education.

For additional information write: Pres. Charles R. Spain
Morehead State College
Morehead, Kentucky

Seminar on Moral and Spiritual Values in Education

(Education 480)

This seminar is being included as a part of the general program of the Kentucky Committee on Moral and Spiritual Values in Education. It is being listed as a part of the regular schedule for the Eight-Weeks' Summer Term.

Dr. Marjorie Palmquist, Dean of Students and Professor of Education at Morehead, will supervise the work of the seminar. Other members of the Morehead staff will serve as consultants.

Visual Education Seminar (Education 482)

This seminar is provided for individuals who desire advanced work in the field or who may wish to work on some particular problem in visual education.

It is included in the regular schedule for the Eight-Weeks' Term and will be conducted by Mr. Norman Tant, Principal of the Church Street Schools, Monroe, Georgia.

REQUIREMENTS FOR ADMISSION

ADMISSION TO THE FRESHMAN CLASS:

Without Examination. Graduates of high schools accredited by the State Department of Education are admitted without examination, provided they have earned credit for 15 units of high school work acceptable to Morehead. No specific courses are required for entrance, but not more than four units in one subject field will be

accepted. If credit in a foreign language is offered for entrance, at least one unit in the language must have been earned.

By Examination. Students who have earned 15 units of high school credit acceptable for college entrance may enter Morehead provided they pass an entrance examination satisfactorily.

Special Note. All students desiring admission as freshmen must have their credits certified by their high school principal or superintendent. These transcripts should be mailed directly to the Registrar of this college by the person certifying them and must be on file at the time of registration.

ADMISSION TO ADVANCED STANDING:

Students entering Morehead from other colleges must present a statement of honorable dismissal from the college attended previously and must satisfy the entrance requirements here. The college does not accept transferred credit carrying a mark of "D." Official transcripts of college and high school credits should be on file in the Registrar's Office prior to the date of registration.

ADMISSION AS A SPECIAL STUDENT:

Students 21 years of age or over, who have not met the entrance requirements of the college, may be admitted as special students and are permitted to carry courses for which they are prepared. Special students are not considered as candidates for any degree or certificate until they have fulfilled college entrance requirements as well as all other requirements for a degree or certificate.

ADMISSION AS AN AUDITOR:

By payment of the required fees, admission may be secured to a class or classes as an auditor. An individual desiring such admission must apply to the Dean of the College. No credit will be given for this work, nor will the student be permitted to take an examination for credit.

ADMISSION TO THE GRADUATE SCHOOL:

Graduates of accredited four-year colleges are admitted to graduate work on application to the Director of Graduate Instruction. This application must be accompanied by a transcript of under-graduate credits.

Graduates of non-accredited colleges must meet the conditions for graduation at Morehead State College before the application for graduate work will be approved.

If the student's undergraduate preparation is inadequate, this deficiency must be made up by taking designated courses which will not be counted as graduate credit.

The applicant for a degree must arrange a program of graduate work under the direction of his graduate committee and he is not admitted to complete graduate standing until this program has been approved by his committee.

CURRICULA

The curricular offerings at Morehead are varied. Students may pursue programs leading to the—

1. Provisional Elementary Certificate.
2. Standard Elementary Certificate and degree.
3. Provisional High School Certificate and degree.
4. Bachelor's degree without a certificate.
5. Bachelor's degree and the certificate in Vocational Home Economics.
6. Bachelor's degree with an area in Business Administration.
7. Provisional Certificate in Administration and Supervision.
8. Degree of Master of Arts in Education.

DEGREES

The college awards two undergraduate degrees, the Bachelor of Arts and the Bachelor of Science. Each degree may be taken either with or without a teaching certificate.

The degree of Bachelor of Science is granted to those students who complete all of the requirements for graduation and who earn a minimum of 60 semester hours of credit in the following subjects—agriculture, biology, chemistry, commerce, geology, home economics, industrial arts, mathematics, and physics. Students completing any of the other four-year curricula are granted the degree of Bachelor of Arts.

GENERAL REQUIREMENTS FOR THE BACHELOR'S DEGREE

The candidate for the degree must meet the following general requirements—

1. A minimum of 128 semester hours of credit.
2. An average standing of 1.0, or higher, on all residence work completed at this college.
3. At least three-fourths of the credit in residence at some standard college; at least one year in residence and the semester immediately preceding graduation at Morehead.
4. A minimum of 43 semester hours of work offered for the degree must be earned in courses numbered 300 or above.
5. The credits earned must include a minimum of 12 hours in natural science and 12 hours in social science. Three of the twelve hours required in social science must be earned in History 400.

MAJORS AND MINORS

Majors or minors may be selected in any of the following subject fields:

Agriculture	Health and Physical Education
Art	Home Economics
Biology	Industrial Arts
Chemistry	Mathematics
Commerce	Music
English	Physics
Geography and Geology	Political Science
History	Sociology and Economics

In addition to the subject fields listed previously, minors may be selected from—

Dramatics
Speech
Library Science

AREAS OF CONCENTRATION

To meet the needs of high school teachers who will teach entirely in a general subject area, Areas of Concentration may be selected in lieu of majors and minors. A person who concentrates in an area is not required to offer minors in any other field, but any single subject in which he has as much as 12 semester hours of credit outside his area of concentration may be added to the face of his certificate as a teaching field.

The chief advantages to be gained from following this plan are: first, the trend in secondary education is toward teaching in one department or field of work; second, greater opportunity is afforded for integrated preparation; and third, with the greater emphasis on graduate preparation for secondary teachers, extensive knowledge in some general field becomes exceedingly important as an adequate background.

Areas of Concentration may be completed in—

Art	Home Economics	Science
Commerce	Music	Social Science

REQUIREMENTS FOR THE MASTER'S DEGREE

The master's degree may be earned in either of two ways.
a. If the student elects to write a thesis, the degree may be secured by completing a minimum of 36 weeks in residence and a minimum of 24 semester hours of work in regular courses. b. If the student so desires, he may do additional course work in lieu of writing a thesis. In this event the minimum requirements for the degree are 30 semester hours of credit and 36 weeks in residence.

CERTIFICATE REQUIREMENTS
THE STANDARD ELEMENTARY CERTIFICATE

a. EDUCATION		Sem. Hrs.
